I understand that membership in the Green Castle Aero Club, Ltd, as described in the ByLaws, continues indefinitely as long as dues are paid and I abide by the club rules. My membership makes me a stockholder in the corporation, extends membership privileges to my spouse and children 17 and younger and includes coverage under the Club's airplane insurance. I have been advised that additional financial risk protection can be obtained through renters insurance at my expense.

I understand and agree that, in joining the Club, I am agreeing to be aware of and follow at all times the then current version of the Green Castle Rules for Pilots and that, in the event of an accident with an aircraft owned by the Club, my financial liability to the Club for the accident will be evaluated according to those Guidelines. My liability could be as high or higher than the insurance deductible in force at the time of the claim. I agree to pay my share of this as assessed by the Board of Directors. I also agree that unless otherwise exempt (see ByLaws), I will pay my semi-annual dues on January 1 and July 1 of each year and will pay club fees promptly.

By signing this application, and upon being granted membership, this application will serve as a proxy for all duly scheduled and convened Green Castle Aero Club meetings where members may vote or elect officers in the event that I do not personally attend, and do not grant a proxy to another member who is attending.

Membership is $150. Monthly dues are set by the Board and are available on request. Dues are paid semi-annually.
